“ I have very fond memories of Arlene during her rehab stay. It was a privilege to work, and laugh, with her. She always had that mischievous look that made you wonder what was next and that contagious smile that brought you into her world of laughter. What a blessing she bestowed upon us with her wit and humor. Look out Heaven ... Kathleen, Therapist at Royalton Manor

“ Dear Marschke family, I am wishing you the strength to sustain you during this difficult time and the healing that soothes both mind and spirit. May you take comfort in knowing an angel is watching over you!

-It has been such a blessing to meet someone filled with so much laughter and love. I have known Arlene for 8 months and in that short period of time she made it feel like I have known her forever. From her calling me "Miss Beautiful" to listening to her stories and jokes, and giving me great words of wisdom and advice, I will miss Arlene dearly!

“ So many good memories. Love this picture of her. It is "so" her. Mostly I remember she never got rattled about anything. I guess with five kids you kind of learn to be that way. Mostly I remember visits to the house and lots of laughs by my mom and dad and Herb and Arlene. She was a dear friend to my mother and I will never forget her.

“ Dear Marschke Family, We have lost another "Grand" lady and my Mother's dearest friend and "partner in crime". My deepest sympathy and God bless each and everyone of you. Sincerely, Art Truman

“ When I think of Arlene, I think of three words - joyful, complimentary and humorous. Ok, maybe humorous isn't the word - more like hysterical. She always had everyone in stitches. I'm sure Heaven will never be the same now that Arlene is there! Can you imagine the angles in a good, hearty belly laugh?

We had a rose in her memory on Sunday at Willows Church.

It is a privilege to have known her and loved her. My continued prayers are with her family in the days ahead.
