“ I will always remember your mother's sweet smile during he time I spent at Caretel with my husband. I never saw her without her smile. You all took such amazing care of her and when you came to eat with her, you brightened my life as well. John, I will never forget the day you moved all those artificial geraniums out to the patio much to the delight of everyone. Also, the winter morning the parking lot was a sheet of ice and I wondered how I was going to get myself and armloads of clean clothes from the car into Caretel and you took over and you made my day. I know you will all miss your sweet mom but please take comfort in the loving care you all gave her. You all had a lot to do with keeping her lovely smile in place. Goodbyes are so difficult. I will be praying for you as you says yours tomorrow. Betty Albrecht
