“ *My Uncle Joseph was my Daddy's twin, I am so sad. I didn't even know he was sick or what he died of. I wish I had someone to reach out to to find out. Uncle Joseph was such a sweet soul. When I was younger he used to dance with me in his basement studio. He was always the photographer of the family. I have photos to share later today.*

I haven't seen him in years. I lived in Texas and am handicapped. Now I live with my mom in Arkansas.

He will be greatly missed. I used to call him to keep in touch.

“ I met Joe a few years ago in Benton Harbor while he was teaching at the Citadel. I enjoyed his lessons and appreciated his patience. Now and then I would run into him in town. I always liked talking to him. Joe, I still remember most of the your lessons :-)

“ Remembering Joe and his contagious enthusiasm for dance. I had an old lesson video on VHS and in all those years since he really hadn't changed a bit. Thankful to have taken some lessons from a true professional.
