“ I apologize to the family for not having said anything earlier, but I just found out about Linda's passing this weekend. I'm Dale's oldest. I wish I could have been able to express my condolences sooner. I know that Dad and Linda had some happy years together. I was at their wedding and they were at mine. I saw them off and on when I could get to Michigan as I was an adult when they got together and I was living in St. Louis and then California.

We had a lot of miles between us, so I didn't get to see Dad and Linda much in person but we kept in touch by phone and letter before Dad's passing in 1995. They came out to California in 1988 and spent some time with us at Christmastime after the birth of my second son. I've uploaded a photo that I took in 1992 when my family went to visit Dad and Linda at their home in Galien. That trip is a special memory for me, my husband, and my oldest boys.

Jerry, Tony, and Jodi: I'm sorry to hear of your mom's passing and I hope that you and your families are all doing well,

Tami

“ We were friends for many years with both Linda and her brother Bill during our years in Galien. We spend happy times with Linda and Dale when we would all play Euchre at the Legion. We remember Linda fondly & always with love. We send our deepest sympathy to her sister, children and grand children at this sad time. Rest in peace Linda, the world is a much sadder place without you.

With kindest regards,

Larry and Vicki Newman
