Comments

“ My condolences to Jeanne's family are much belated but I have just today learned of her passing last year. Jeanne was one of the best friends I ever had as a teenager until I moved away from Benton Harbor in 1970. I remember her as a happy, fun, and loyal person. She had such a wonderful sense of humor and was always on your side if she was your friend. How terribly she must be missed by the family. I have often thought of her fondly over the years and her brother Mike and sister Linda who were always very kind to me and fun to know. Jeanne and I were always getting ourselves in to big trouble trying to assert our independence but even the trouble was usually a lot of fun. I have always treasured the memory of being her friend.

My best wishes to all of you,
Terri (King) Craig
