“ Truly gone too soon but no more suffering and you're in a better place. You were always my beautiful auntie that I always looked up to and made my day with your big smile and laugh. As a little girl I wanted to be like you with the style and makeup and now I have more of those things than I can handle. I am truly gonna miss you and you will always have a place in my heart along with grandma lorraine and my dad victor (leon). You are all gone but will never be forgotten. I love you ❤️
