“ *Aubrey was a kind, helpful and special part of our family. Many great memories are shared with him and the Clemons family. We loved him, cared for him and will miss him dearly. My favorite thing about Aubrey was that he treated everyone he knew like family and if you asked anything of him he would always be willing to help. Love you Aubrey. Kenny and Chrissy Meek*

The world has lost someone Very Special. Life will never be the same, a hole in my heart until Im with you again. God now has one of his Best Angels ever!! He was a very, loved son, brother, nephew, cousin, grandson, uncle, and friend to all. I will always remember his wonderful smile and unique, great, laugh. I would give anything to have u back, even for an hour, but, I know that is not possdible. I will always love and miss you so sooo much!!!! What brings me a little comfort is knowing that now you are with your grandpas, grandmas, and other family who will now enjoy, watch over you and cherish you until I see you again, Rest in peace my sweet, sweet, very special nephew, you will Never be forgotten!! “ *Aubrey will always be remembered for putting his family and friends first. He welcomed all people to laugh with him. I remember how excited he got when I told him I liked the character Deadpool and he broke out his enormous vault of comic books. Say hey to J dog for me man. Rest easy, but your energy and ambition will be remembered.*

“ *The first memory I have of Aubrey was this 9 year old red-headed kid who always into something. I remember him being so mad at me, when grandma Clemons gave me a ride home and there wasn't enough room for him. (even though she was coming RIGHT BACK) :) When there were little cousins running around Oobs was always first to scoop them up, tell them he loved them and tell them to "be good, okay?"*

I'm so sorry for this loss. He is missed. ~ Sarah

“ I'll never ever forget standing in Krista's kitchen before the ONLY jhill show you ever went to with us and I said something about me being a ginger and, without even skipping a beat, you said "maaaaaan fck you ginger... naaah I'm just playin, I love you sis." and threw your arm around me when I was just starring at you like wtf?????! hahaha and I remember when you rescued us from that party and said you didn't give af and that the stupid bitch that stepped to YOUR ginger sis when she was pregnant and she was gonna catch some hands. now, not saying that fighting was always a go to, all I'm saying was you ALWAYS had family, family was always your go to and your safe place. I'm really gonna miss you man. I loved you and still love you more than I'm sure you knew. rest easy oobs. ima see you soon enough bro. ❤️
