“ *Bernie and I were roommates at Purdue in the early 70's. I was a groomsman at Bernie and Susan's wedding at the St. Joseph Congregational Church. We lost touch after Purdue. Today I found out that he is gone. My sincere condolences to his loved ones. He was a very fine man.*

“ *Cousin Wendy will always be remembered by me on July 4. We seemed to always have a picnic for his birthday, and then fireworks.(maybe there was something else we celebrated-haha) I remember his really lengthy long distance phone calls on holidays when I was with the family. And his exciting life-living all over the US, being on a submarine, teaching at Purdue. He visited me once in Texas when I was 12 and we played games-he was such fun!*

“ I always looked forward to a visit with Uncle Wendell. I only have memories of him with a wide and genuine smile on his face. He always brought with him such an exciting energy and every time he walked through the door it felt like the whole house filled up with joy.

“ We were in homeroom together at Benton Harbor High, I enjoyed every day because of Bernie. He was a great gentleman and friend. Though we didn't remain in close contact over the years he always made time to catch up on our lives. He will be missed. RIP my friend. 🐯🐯

“ I will miss my big brother so much.

Wendell was the oldest of six children. I know David, Karen, and Karyl will miss him as much as I will. He is now reunited with his mother, our dad, and our younger brother, Kirk.

I hold on to the memories of times we shared together, and will miss being your "little buddy, Boo Boo."

Sending love to you in Heaven from "Boo Boo" (Kathleen), Tim, Adam, Allison, and Alex and our families.
