“ Dear Ken,

*I am very saddened to hear about your mom's passing. She was very near and dear in my heart and I enjoyed my time with her at the Whitcomb. In February she began telling me she thought it was time she died. I told her I hoped it wouldn't be soon but when the time came I would miss her very much. I take comfort knowing her mind and soul are at peace. My sympathies to you and your family.*
