“ *My beautiful, wonderful mother. Every day I will be doing things you've taught me. I will miss you every day for the rest of my life. You were my best friend and confidant. Always giving good life advice. Joe and I love you beyond compare. Give Dad a hug for me. I imagine you being able to walk again and not having to depend on someone for your every need. I will think of you when I am shopping and miss our trips together. Love you Mom!*
