“ *I would to send our sympathy to the Burton family. I have know Burt for over thirty years and had the please of helping him when ever he call for assistants with property tax information. I would reach and give him items and sales information for him to contest the Board of Review in the various areas that he felt the value was to high. I always enjoyed talk with him and of course helping him. He will be sadly missed but he has left one big mark here in his Community.*

“ *Dear Burt and Family - You are all in my thoughts and prayers. Burt Sr. was quite a guy. I fondly remember him driving me around "Michigan's Great Southwest" upon my return to the area in 2006 - to bring me up to date on all the development in the area that had taken place since I had left. He was an incredibly sweet soul! God Bless. Susan Dearing-Bond*

“ Dear Pearson family,

I was sorry to read of Mr. Pearson's death in the newspaper. You all have my deepest sympathy at this time of loss. I have many fond memories of my father working for Pearson Construction for many years. He was involved in building many of the buildings noted in Mr. Pearson's obituary. I am also grateful to work for the company for three years while attending college. May God bless your entire family as you celebrate the life of Mr. Pearson.
