“ I really loved visiting Aunt Jo and Uncle Don, I was able to visit more often when they had Grandma's mobile home there, I have a funny but cherish memory on one of my visits, Aunt Jo was making some sort of chip dip with Parmesan cheese, I didn't say anything until she offered me some of the chip dip, I said "I didn't want to say anything about the smell in here but I thought someone had a very bad stinky foot problem. Aunt Jo started laughing so hard she was nearly crying.

“ My favorite Aunt. I remember when she, living at the farm house, and my mom, living at the lake house, talked on the phone almost everyday. Trouble was the calls were long distance so they'd try to keep the calls short. Of course that didn't work. One day an operator (was it really THAT long ago?) told them of a plan they could use (you could have a couple long distance numbers that would be charged at a lower rate). That worked!

*Talk on sisters!*

*We made a donation in her name to Berrien Co. Animal Control.*

“ Many of the younger Berg girls, including sandy, sue, tammy and myself were great friends to Deb and Gina. And when visiting their home we were always treated like one of the family. I remember one of my first snowmobile rides was with the family. She will be greatly missed. prayers to the family.

“ I was a close childhood friend of Joanne's daughter Gina. I remember Mrs. Poziwilko was always welcoming and made me feel comfortable in their home. I want to let all the brothers and sisters know that I am sorry for their loss. Will be praying for your comfort and peace. Sandy Berg (Hutchinson)

“ My second family down the way. Josie as we all called her was indeed my other Mom. I loved her dearly I think I spent more time in their yard than in mine. Josie always took care of me and my siblings like one of her own. Don was always fixing something and would always help my Dad out. Their children were like an extended family to us as well. God rest her soul and my deepest condolences to the family.

“ You have been the core of this family. Feels like there has been a shift in our world since your passing. Always treated me as one of your kids. I learned so many things from you from gardening to painting a room to wallpapering. But most of all you gave me the best husband a girl could ask for...love you and I'll see you on the other side
