“ I am so sad to see a wonderful lady leave us too early...I will miss seeing you at mom and dad's this summer and for our yearly Christmas cookie party. I am so thankful for the memories that I have of you, sitting on the porch and chit chatting. Or seeing your new creations of quilts that you were making. Or going to a Tigers game with you and Uncle Dean. Thank you for being my Aunt Carol. Give Marc and Roscoe a big hug for me. I miss both of them dearly!! I will miss you and I love you Aunt Carol!!!

“ My heart goes out to everyone that knew Aunt Carol for they are missing a bit of sunshine now. At times she could be sassy and others squishing you in a big bear hug. Getting her to laugh always warmed my heart because it was genuine. Love you Aunt Carol. Bonnie and Mark sending hugs your way as well as to all your kids/grandkids. Laurie
