“ Dear Charlie, Jerry and David, Back to Eaman School and good times there. We were very sorry to hear of the loss of your Mother. It was a long time ago that we were all involved in the programs and ballgames and PTA of your school days and it was a great time. We send our sympathy to all of you. Time does keep marching on. Best wishes to you and your family from Tish, Cindy and Marnie (Mom) Weber.

“ Carrie and I met when we took training at Twin Cities Beauty School when we were just graduated from High School. We became fast friends and had many wonderful times together and eventually with our families. A great many years have gone by since I last made contact with her but our friendship never died. I tried to visit her several years ago but we never seemed to be able to set a definite appointment so it has been many years since I last saw her. . I was very surprised to learn from the obituary, that Carrie and I shared the very same birthday but a year's difference in age. I wonder why I had not known that fact before this but it was a complete surprise I used to rent a room with her parents when I was working at a beauty shop in Niles, MI. Her parents were wonderful and we used to have some good times while I lived with them. I know her husband and boys and share in their grief. Carrie is in a much better place now and my prayers will be with her family as they suffer in their loss.. A very dear friend, Ethel Daggitt
