“ On behalf of the Cole family I send heart felt condolences. I was just in Michigan last week and we were reminiscing about the good old days. Even though we haven't stayed in touch through the years you all have never left our hearts!
I'm praying for your strength and comfort in these difficult times.

“ It has been many years since Chad was my friend. We had so much fun at Tinker and Maggie's house. My heart broke when I read of his passing. He was truly a beautiful soul and after all these years I still have good memories of being his friend. I am sorry I missed the visitation, but hugs to Sean and Tracy for the loss of their brother.

“ I worked with Chad on the Connected Appliance team for about 5 years. He was a good guy and was very thorough with what he did. He had an amazing analytical mind and I appreciated his attention to detail.

I am sorry I missed his visitation but I send my condolences to his family and dearest friends. He talked about his best friend frequently and enjoyed her visits.
