“ *My Beloved Cousin Darlene was the friend everyone wishes they had. She would go the extra mile for anyone. Her faith gave her wings she used to conquer all the challenges she endured in life and to celebrate all the rewards. Darlene had a listening caring heart that would melt your troubles away when you confided in her. Family was the core of joy in her life. She so deeply loved her daughter, granddaughters and great grandson. They meant the world to her. I'm so grateful I was able to connect with her over the miles and share stories, hopes and dreams. May God Bless the memory of Darlene. Always With Love, Cousin Mary Ann Klava Armstrong*
