“ I'm so thankful for DaWayne's diligent help with the Quiz Boxes for more than 10 years until he was over 90. His consistent work installing lights, switches, sockets and soldering wires in so many panels, will continue to be used by young people worldwide, as they learn the Scripture through Bible Quizzing. His family has also been a blessing, and I do pray for their comfort, knowing we'll rejoice with him in heaven someday. *Ibba Glaske*

“ To the family, my husband, Bob and I first became friends with DaWayne's dad at Uncle Alfred Bell's funeral in Michigan. Before we left that house we called DaWayne and Betty on the phone and our friendship was begun and has gone on ever since. I have many great memories of DaWayne and Betty in their beautiful home in Michigan; when they visited us in Illinois; and, when they came to Illinois for the wedding of our daughter Kathe on June 6, 1981. Also, when Bob and I attended Karol's wedding.

Since we first met (as cousins, DaWayne and Bob, my deceased husband), we have loved them and our times with them. In Michigan, enjoying DaWayne's gorgeous garden and visiting other Biastocks; and, Betty's wonderful wonderful food. Heaven is a joyous place and praise God DaWayne and Bob are both there rejoicing together. Our love and blessings on Betty, Ken, Rich, Jan, Karol. Your husband and dad was a great role model. I loved his quiet ways. I'm sure wherever DaWayne went (II Cor. 2:14 (Living) he left the fragrance of Christ. To know Christ is to have LIFE ETERNAL. We rejoice xoxox/jebiastock Hoffman Estates, Illinois.

“ To Mrs. Biastock and family, I am so sorry for the loss of your husband and wonderful father. I remember growing up and waiting in your house in the winter for the school bus and your father was always so nice to us and he always had the perfect garden in the summer. He loved his family dearly. You will see him again and until then you have an angel smiling down on you. Thinking of you. Love your old neighbor, Kim Wilson Bernal.
