“ -' i remember when Destiny used to live across the street from us on Pearl. She used to always dance every time a car used to drive by bumpin' its music. She was so full of life. She always had this big smile on her face. If you were in a bad mood, that smile made your day. You are truly missed Destiny , and you were that angel that Jesus needed. You are in my prayers April && Comon.

“ *I was the secretary at Benton Harbor Charter School when Destiny attended. She was one of my little helpers and always wore this beautiful smile. Remember that smile and cherish it in your hearts forever. I'll be praying for you April and God will take care of your heart, place it in HIS hands and you will see HIS power. Love you and God bless!!!!*
