My sweet, loving Uncle Deward, I remember in 1970 a song came out, and every time we'd visit you'd have that big beautiful smile on your face and start singing to me. I'm not Lisa , My name is Julie, Lisa left you years ago .my eyes are not blue , but mine won't leave you , until the sunlight has touched your face". My love for you will never fade, although we didn't see each other much as I grew up ,I'll always keep you close to my heart until we meet again , and the sunlight shall touch both of our faces, and I will never leave you again. I'll wait to hear that glorious voice sing to me again. I was 7 years old then and I could still hear you singing when I'd always think of you. I'm so grateful I came to visit you this July after all the years that I let slip away. :heart toheart:
