“ I recall Don very well he gave my Dad Bob Mounsey a ride to and from work for many months after my mom broke her hip and was not able to drive. My dad called Don every morning a made sure he was up and had coffee ready. It was good of Don to that

“ Don was always very kind to me. I remember when my sister, Susie and him lived in Eau Claire and he would make the real Hershey's Fudge. I will always remember how much he loved chocolate. He would really make over the the Cocoa Cake I would make to bring when the families would get together and also the Rigatoni. I will miss playing cards with him. He was the one who taught me how to play Yukor and this other game I just can't bring to mind right now the name of it. I love all my nephews and niece he gave me with the help of my sister of course. I will miss you Don. You have been a part of my life for many years.

“ Don always had a kind smile and a warm hug for everyone. I always enjoyed talking with him. The last time I talked with him was on June 22, at Jamin's graduation party. Don was relaxed and having a good time chatting with folks. He shared he really wanted to take a cruise and do some more golfing. He was a good man and will be missed.

“ It was a pleasure to have worked with Don at the St Joe Division while at Whirlpool. I was happy he stayed at the Corporation after the Division closed. He was always a happy guy and a person that could be trusted in his everyday missions. I will miss him at the voting booth each year. GOD be with his family during these troubling times.

“ Tim and family - I just heard. "I'm sorry for your loss", though true, sounds hollow. If there's anything we can do, let me or my parents know. Thoughts and prayers. James Pabis.
