“ *I'm going to miss you, "dad"...although the time we spent together was short, it was definitely meaningful. From the moment I met you, you treated my daughters and I like family. I'm honored to have been apart of your life. It hurt my heart to watch you go through these last couple of months, and especially the last few weeks, but I know that you're in a better place now, back in Joyce's arms and pain free. You'll be missed by so many.  
~always on our minds and forever in our hearts~  
love,
