“ Don was such a funny guy, he would always tell people that I would beat him up! That would make everyone laugh and that's what he liked to do, make people laugh! He would always insist that I should have a malt, even though I told him no thanks that I was on a diet! Of course he'd order two even though I said no.

I feel blessed and honored, to have cared for Don for the last few months! He was a very special man!
