And we certainly would have called and sang to you. I love you and miss you dearly. Still cannot believe you are gone.....if you can see us or hear us, just blow us a kiss we can catch.....love you!*

“ *To the outside world, we all grow old. But not to brothers and sisters. We know each other as we always were. We know each other's hearts. We share private family jokes. We remember family feuds and secrets, family griefs and joys. We live outside the touch of time. Missing you! Love your Sis*
