“ Sue, I was away when I heard that Dorothy had passed. She was a strong woman who bravely continued to fight, even when the fighting got harder. I know she is at peace now. It is those she left behind for a short time that are hurting because she isn't here to laugh, to hug, to tell her that you love her...but I know Dorothy knows she was loved. Sue, you are an amazing testament of love, visiting almost daily, and always going above and beyond. My love is with each family member.
