Uncle Duane to me as a child was bigger than life..or as they say now days.. "ginormus" because he was so tall. He was very kind and caring and always made me feel accepted. I will miss our "gentle giant". RIP Uncle Duane, I love you!!

I've known Doc for many years, since we worked together at Gast Manufacturing in the 70's and early 80's. We hunted, fished, bowled, went snowmobiling and had some really good times together. Doc was a good friend and fun to be around. I'd called him about three weeks before he died and am so glad that I was able to talk to him again. I was looking forward to him coming home again this summer for his birthday. He will be dearly missed. God bless his two loving daughters. Larry Bittner

Doc was a kind and quiet co-worker who never said a bad word about anything or anybody. Glad to have known you and be able to call you my friend.
