“ *Ric and Family - I am sorry for your loss. I remember your mother as a warm and engaging person who always made me feel welcome. She could laugh with a bunch of rowdy teenagers, even though we were probably messing up the house. I mourn her passing with you.*

“ *I worked at the City of Benton Harbor many, many years ago and worked in the same department as Edna. My mother also worked there for many years and they were friends as well as co workers. Edna was always a very lovely person and a very nice woman to work with. Sometimes when she was very busy, I would assist her with some simple tasks and she was very patient and liked teaching me the right way to do things. I'm very sorry to read about her passing. Please accept my condolences.*
