“ *We will always remember Sister Emily as a pillar in our church, dear friend and Sister in the Lord! She was our Maid of Honor in our wedding 56 years ago. We knew her probably 60 years plus. She has always been the same sweet lady ever since we knew her! She has run her race and we have ours to finish!*

“ *Memories are what we will cherish from now on about Aunt Emily. She was a beautiful lady who enjoyed her family. She could bake a delicious cake with her eyes closed. I remember as a young child visiting her, going to church with her, and helping her care for her beautiful three babies. She will be missed and I will miss getting to visit with her. My planned visit with her this coming summer will no longer be a choice. She loved her sister, my mama! Before Mama passed, they called each other often and how the two enjoyed their visits on the phone. After Mama passed, I always felt that I still had part of her in Aunt Emily. When I talked with her, it was like Mama was the topic of our conversations..... we had a connection. Aunt Emily is no longer here, but my memories will be cherished forever in the corners of my heart to pull out and enjoy! We love you Aunt Emily, and no, we will never forget you!*
