“ *As a child, I was always anxious for Uncle Fred, Aunt Evelyn and Gene to visit us at the farm. Mon would make sure we had the house spotless. One visit when we got ready for bed, I remember Uncle Fred saying, "We get to sleep in a suite!" I can still hear his laugh. I was always disappointed when they would go back home. We always had fun listening to Gene's northern accent, and we loved to run wild in the fields. We will miss their visits, but they are at rest with God. Our thoughts and prayers are with you and your family*

*I am sorry to hear of Great-Aunt Evelyn's passing. My thoughts and prayers to Cousin Gene and all of the family. 101 years old. That's really amazing. I wish I could travel to Michigan for the services to help represent my generation of Crit and Myrtle Keith's grandchildren, but I am unable to. I know that Aunt Evelyn is in a much better place now and not suffering. Again, my thoughts and prayers are with you.*
