“ I met Floris many years ago when she lived in an apartment near our house. She was married to Al and had a son named Terry Klein and I went to elementary school with him. Could this have been Johnathan? It seems that she went by the name Flora. Her and her twin sisters were the cutest ladies! I often wondered what happened to her when she moved away from our neighborhood. The apartment houses that she lived in have since been torn down. I am so sorry for the loss of your mother, grandmother. I am happy that I got to see this and see her face one more time.
