“ *Mark and family,
Love and prayers go out to you at this difficult time. I lost my Mom 5 months ago and as we laid her to rest in Goshen I thought about you and Karen coming to my Dad's funeral in South Bend and then the cemetery. Hard to believe that was 35 years ago. Still means the world to me.
Both of your parents were so kind to me; taking me under their wings the first time I went to Vegas, and the good times at Chickhaven.
We mourn the passing of our parents but as long as we are alive they will never be forgotten and will live on in our memories.*

“ *So sorry for your loss. I worked with Frank at my brother Franks Chevy dealership for a number of years. He was always pleasant to talk to and always ready to offer a hand. I never remember him without a smile on his face. You will be in my prayers as I ask our Lord to hold all of you in the palms of His hands to help you get through this very sad time. RIP Frank as you will be missed.
