I have the honor of being Frank's sister. He was a very special brother who I looked up to since my childhood. He was so good to me throughout his whole life. I am going to miss him, his smile, and our many meetings during the week at McDonald's. Frank, please give every member of our family up there in Heaven a hug for me and let them know how special you all are to me. And please give Ricky a special "big" hug. I have faith that we will all be together again some day. I love you all. Love, Martha

Frank was a very nice man. I always enjoyed talking and laughing with him at McDonalds. My dad always enjoyed talking to him and also enjoyed his son Paul when Nancy would bring him to see his dad at Clark Equipment.
