“ Well Mom - Dad is now with you and I know you two are dancing in heaven. Please keep watch over me - I'm trying to do what is right and I need you and Dad to be my Angels. I sent our special "Angel" with you that we shared that we bought in Tennessee together. I carry mine with me everywhere I go. I love you and Dad and will see you again someday. I'm sorry for all the hollering and fighting that took place here on your day you God came to get you and I'm sorry for it happening with Dad also - cause I promised him I wouldn't let it happen but it did as I had no control over other people's actions! I tried, but didn't succeed - I miss you you and Dad soooooooooo much. I'm so glad for the talks we had over the past year and things you told me and Dad also. I didn't leave dad's side since the day you passed except for one night while he was in the hospital. I kept my promise and I'm taking great care of Penny! Love you and Dad to the moon and back!
