“ Dear Martha, my memory of first meeting you and your husband was one of great laughs. Joining the table at Sunday brunch, I enjoyed the stories the laughter and the love that your family shared with me. I know I was a stranger but you both treated me love, warmth and kindness that I have not received even for my own family and for that I will always truly be grateful.
I am so very sorry for your loss know my heart and prayers are with you at this time of great sorrow. As wonderful as the two of you are I know he is with God and is save in our Savior's arms.
If there's anything that I can ever do for you please know I'm always here just a phone call away. With my deepest heartfelt sympathy I send you my love and prayers for God's guidance and courage as you MoveOn in this stage of life.
With great love and respect always, your friend Kathi Valenti ❤️

“ I miss my Dad so much already. He was the type of Dad who was at every special moment of my life and childhood from every track meet to traveling on the days my two children were born. His grandchildren adored him. He always made everyone laugh. Just a goofball we all loved. I don't remember a day in my life I was ever mad at my Dad. He was my first love and everyone was always compared to him. Breakfast for dinner always reminds me of my Dads and watching the Detroit Lions and The Wolverine Football games. He gave me so much joy and I am proud to be his daughter. I love you forever Dad. Love,Lori
