“ George was my supervisor at the Benton Harbor School supply warehouse in the summer of 1967 while I was a student at CMU. We shared lunch and breaks together each and every day for 3 months. What a great guy. He was personable, caring and was adamant that the work get done. His sense of humor was contagious. It was such a pleasure to work with George. For years I have told people "that was the best job I ever had". It was because of George. The world needs more people like George. I am so sad over your loss.

“ To the Family of George Ervin Jr. I am saddened at learning of his passing. We have been friends for many years working together for the BH Area Schools. George will be missed. There's never been anyone that could call my name the way he did. That deep voice always made me laugh. May He Rest in Heaven. My prayers are that by sharing your fond memories it will give you peace in the weeks to come.
