“ I'm a PCA with Bronson hospital in South haven and I got to spend alot of time with Guy. He was always so funny and positive and understanding. He reminded me of my dad. I could talk with him about anything. He always asked about how my sons were doing and that he wished us all well. His passing breaks my heart but I'm glad he's not in pain anymore. My heart and thoughts go out to his family. He will truly be missed!
