“ I love you & miss you momma. You taught me independence. I learned to be strong because of you. I will always cherish and remember the talks we had on those long nights when we both couldn't sleep. I long to hear your voice on the other end of the phone. I remember the fishing trips and sitting there with you talking about any and everything. Life will never be the same for me since you're gone. Your youngest daughter Lisa

“ To the family of my dear Sister Hattie. I remember first meeting you, long before you joined Old Path Church. You was cooking I came in to buy some chicken and I wanted it well well done. That smile and greeting from that moment had never changed. You use to greet me as yep I know you well well done. I love you and you will truly be missed. May GOD Bless you all.
