“ *Mrs. Davis was a good friend of my mother, Lena Youdell when we lived in Watervliet. I remember her as being a very jovial and personable lady. I'm sure she will be missed by many. Our thoughts and prayers are with the family.*

*I am so sad to hear of your Mom's passing. She was a true friend to our family! I know Mom is going to miss her, thankfully she had gone to see her a few weeks before. My memories of her were her contagious laugh and a terrific card player. I remember when we were little how our parents got together and played cards on Sat. nites. Your mom's noodles and tomato juice and your dad's wine. They were truly a great couple! I remember their kindness when Grandma Young was sick and how they were so helpful. I think the last time I saw them both was when I cleaned their house on Sunset Drive and took a picture of them both, just before he passed. Were have the years gone that it was that long ago that I had seen her, I have thoughts memories that I will cherish. My heart goes out to you and know that I am thinking and praying for you. Those memories, that you have, will carry you through this time of grief.*
