“ *Thank you for being a loving and gentle man to us Cousin James. I remember as a child how you would always come to visit with a big smile and soft deep voice. Your voice was like no other and when you said my mother's name, Martha, it was like you were singing it. My brother Roland looked up to you when he went to school in Mississippi and my Aunt Dorothy always said you were like a brother to her. She could always depend on you to be there for the family with that big smile.*

Well done cousin James. You will be missed.
