“ Aunt Janet is missed here but I am confident that she received a rich welcome into heaven and is now watching us with the other saints who have gone before, cheering us on to finish our race well. Like my cousin Laura, I only have good memories of Aunt Janet - her quick smile, the mischievous gleam in her eye, and kind words.

Praying for peace and comfort for her sisters and the boys, and all who love her.

“ Janet was my aunt, and a wonderful person. All my memories involving her were great ones, especially our Thanksgivings at her home. This may be a horrible loss for the family, but for Janet she is in the arms of her Lord and deceased loved ones. One day we will all be reunited. I pray the Lord brings strength and comfort to all that loved her.

“ Janet was my sister. She was also like a 2nd mother to me. She helped care for all of us since she was the oldest. In our older years she was the one I called whenever I wasn't sure about something. She knew whatever was needed in the area of health or gardening. If you happened to mention something to her, it wouldn't be long before a book or article on the subject would come to you in the mail. She always wanted to help all. It was her pleasure to share the results of her fresh produce all summer long to any who wanted it. She was ready to meet the Lord. Will miss her greatly. Ginger York
