“ I was going to send Ms. Jean a pattern to make Bunnies, out of the "Dish Clothes", she used to make. She gave me some for Christmas, one year. So sorry to see she has past away. Sorry I missed her memorial service. She was a wonderful person.

“ Right up there with my own Mother, Jean Daniels is held in my highest esteem.

A devoted Mother, wife, and above all, friend, Jean is the very definition of "good person."

An animal lover, everyone's dogs would come running when they heard Jean's truck.

She also loved nature, and had a thing for Butterfly Bushes and their visitors. I have promised myself to think of Jean with every Butterfly I ever see again. I think she would like that.
