“ Jill and I had SO much fun together when she was living in Chicago and she was running her own business in Chicago. If I were to write a book of our adventures in the big city well, there would be some good reading! I loved coming out every spring and catching her dance recital every spring! What lovely memories I will ALWAYS have and carry of this dear sweet woman I was proud to call at one time (my girlfriend) and later my good friend! I will LOVE you and miss you forever my partner in crime! Mark Andrzejewski

“ *My heart and prayers go out to Jill and her family. I only knew Jill for just a short amount of time as compared to you. But, in that time, she touched my heart and made me a better person. I consider it an honor and privilege to have met such an amazing woman. God Bless. Rebecca Torres, NP-C for Interventional Radiology*

“ *Jill & I were neighbors, friends and playmates as kids. I always admired her dancing, and envied her for having a brother as a dance partner! Jill was so great to attend my Dad's service a few years ago, and we really had a chance to catch up. I was shocked and saddened to hear of her passing. My sympathies to her entire family.
