“ Dear Dan, I am so sorry for your loss. May the Lord comfort you at this time. Always remember she's never really gone as long as you remember her.

“ Sister Jimmy was a jewel to all who met her. She was very outspoken on her opinion of things, I loved that about her. ! She was always willing to help someone in need. I asked her once about her beautiful quilts and she said “ I can teach you how to do it in about a week “ I said” well, I want to learn how, but my hands had carpal tunnel operation years ago and they couldn't do the work well cause of arthritis . “

She was so cute, she said “oh don't worry honey I'll help you make one , call me let me know when . “. I never got around to do it.

Whenever I was l'll , or when she would go Florida , she would send a card and let me know how much she missed me and the church people too. She will be surely missed here , but we will see her again in the Heavenly catching away of the Rapture.

She was a wise woman , who loved the Lord with all her being, I know the angels are rejoicing for her to be in Heaven . Her mansion is full of joy cause she gets to be with all her family gone on before her. God Bless you and your Family Brother Dan , May God give you all peace, to know she is happy and Whole again with Jesus. Love and prayers , Mary M. Henderson.

“ Aunt Jimmie was definitely one of a kind. I remember her always making something she loved doing crafts and sewing .
*I remember the stretched pop bottles she made for the fair.
Family picnics won't be the same without her baked beans.
I know she is singing with the angels.*
