“ My Uncle Jim was one of the best men this world had to offer! When I was a little girl, one of my precious memories was when my dad Earl bought me a pony and guess who got me the saddle.....my uncle Jim! He had it shipped to me in Missouri and when I opened the box I was amazed ! I was also very happy to see Uncle Jim and Aunt Jo (Mary), come to see my parents and I on a regular basis a few years ago. Several years in a row they came and spent time visiting and eating with us. I looked forward to each year seeing them. I treasured our visits and always will. In 2011, I had a 50th wedding anniversary party for my parents and it was a surprise party. I called Aunt Jo and Uncle Jim and told them about it and they came. When my dad seen their car pulling into the driveway that day, I will never forget it, he had tears of joy in his eyes! That was one of the happiest days for my dad! I will never forget the smile he had that day. I appreciated Uncle Jim and Aunt Jo coming to see my parents each year, because of my mother's condition, it was too hard for my Dad to travel much. I heard him say before that if mom could have traveled more, he would have been in Michigan. I love my uncle Jim so very much and I know the life he lived. I will see him in Heaven one day and I already know he had a family reunion inside those gates of Pearl the moment he passed! My Uncle is with Jesus now and multiple others, including his brother Earl! Love to you all.....Tammy Middleton

Jim will be missed by all, he was a strong individual that always took care of his family. I am sure he will join my dad Ted and James Ray and rekindle their wonderful lives and times spent together. To Jo and Family, our hearts and prayers are with you. Knowing how difficult this is, we are so sorry not to be able to make it to the funeral. Our love and spirit will be with you. We will come up to pay our respects. Love Joyce and Family.
