“ *My memory of Jodi is her wonderful smile and her wonderful, sweet personality. When I had her as a student at North Ward, I took in a picture of her mother, me and some others at a slumber party when we were about her age at the time. She was a spitting image of Vicki. Dear Vicki, Mike and family, I am so sorry for your loss of the ray of sunshine that Jodi was. You are in my prayers. Deborah Barber*

“ *I won't share all of my memories here but please know that I have many. I was the for the beginning of Swamp Gator, Galaxy Gator and Space Gator. It's been a blessing and hoot to be there for all of them. I pray that you are no longer in pain and that your family can be at peace. Our journeys are not done yet. We will see each other again someday to continue our shenanigans. Until then, Rest In Peace my friend.*

“ Jodi will be so missed by anyone she met and became friends with. She was everything described in her obituary: generous, caring and great sense of humor. In Short, she was a SWEETHEART of a person. There were a number of times I spent with her at the fair when racing her horses which I enjoyed immensely being a horse lover myself. It was a pleasure to be friends with her. RIH GATOR
