“ *I cannot believe he is gone, much too soon. I will always remember him as Jon Jon. I called him that for many years growing up and he didn't mind when I called him that as a grown man. I have a lot of good memories of us growing up. Making mud pies with him and Regina in their back yard is one of my favorites. He had the BEST smile! Even though we had not seen a lot of each other in the past years, when I saw him out and about he'd give me a big hug and call me cuz. I am grateful to have all the memories and will always remember Jon Jon with his huge smile and love he had for his family.*
