“ I worked with Judy for years. She was always a positive, loving and always willing to help anyone! She was rarely on time , but always willing to stay late! I always teased her she would be late for her own funeral! (Which I hope she was) She was & is a very special Lady! Love ya Judy 🥺❤️ Sandy “Boomer”

“ *My gram was one beautiful woman inside and out. This day I remember I went to go see her at the rehabilitation center and she was so happy my aunt did her hair for her. Oh did I mention she was a flirt and she was flirting away with a volunteer. My gram was a character. ❤️*
