“ My thoughts and prayers are with you all during this difficult time. Although I could not reach out to each of you personally, please know that you have my deepest sympathies. Before Pastor Kathy Mitchell began preaching, she worked with me on the evangelistic team. I will never forget the many years she and sister Erma Peterson worked tirelessly to witness to souls in homeless shelters and on the streets of Benton Harbor. Many were baptized and dedicated their lives to Christ. I am forever grateful for her commitment to advancing the kingdom and her participation in the ministry of reconciliation. May you all find comfort in knowing that Pastor Mitchell's legacy of tireless service and dedication to the marginalized and spreading the Word of God will never be forgotten. I will miss my friendship with this mighty woman of God. But I know where she is because I know how she lived. Her remarkable and exceptional life is a testament to the power of faith and love and an example for all to follow.

Rest well, beloved of God. I will see you after a while!
