“ *I have so many memories of Kristina that I can't pick just one. Kristina was my best friend for a long time and have missed her for a long time now. I am saddened that we never got a reunion. I loved Kristina like a sister and she taught me so many life lessons, some good... some bad, but either way I always enjoyed our time together. She was the friend that I needed on that first day of fifth grade. I will always remember her and wish her family peace and blessings.*

It's funny how you never know how much you miss someone until they are gone. (Tias is very sad, but my GOD it is sooo true!) So take this chance right now and tell everyone you care about just how much you love and appreciate them in ur life. Cz life really is 2 short and you never no when it might be to late.

“ Me an Kristina & Trinity hung around each other alot when we were younger we would sit around at aunt Cathys house an play skip bo LOL. I also remember the time Kristina an Trinity & i were at pop & Debbies we were teenagers at the time an we were in Kristinas room hiding out an drinking booms farm got pretty messed up that night then her brother Hallie came in an caught us but he didnt do anything LOL. There are plenty more times i have spent with Kristina but as we got older everyone just kinda went there own ways an on with there own lives but she was a loving mother an will always be apart of everyones life that she has meat. Thanks for the kind words & loving thoughts. It means more than u will ever know. I was very ill when Kristina passed & didn't really even get to mourn her until later & felt like I wasn't much help to Debbie either, but I loved Kristina & wish I could have seen her more. I know Debbie's heart is broken & I just wanted someone to know I care & that I love her with all of my heart. God Bless You All, Betty Schafer, Kristina's Aunt
