“ Kook was dear to me. We shared a lot of laughs together and I always wore a smile on my face when he called, a smile that would last long enough to hear from him again. I thank the lord that he blessed me to see Kook a few times when he came home. His smile I will never forget and his hug I will always miss. My heart goes out to you Laura, Tammy, Marquise and his children for I know he will be missed but I am sure he will always be in your hearts as well as mine and a lot of others.  
Love to you all,  
Denise
