“ *Lavern was a good friend and taught me a lot when I started work for Sundstrand as an aircraft mechanic. He cared about what I was doing even after he retired and that shows a lot about a person. Many fond memories that will be with me forever... We will miss you Allen and Robin Miller*

“ *Ruth Ann and family---- I was lucky to have known Bud for over thirty years. While I didn't see him that frequently, the times I spent talking with him were memorable in so many ways. He had so many interests and a natural curiosity about the world and happenings around us. In my time spent with him, he would always ask about things that were happening in my life and my thoughts on people and places. He always made you feel important. My sincere condolences go out to the family. He will be missed.*
